PREFACE

The 1977/78 Court Statistics Annual Report contains selected data on the activities of the Supreme, County, Surrogate and Provincial Courts and the Sheriff's offices on three year comparative basis. Where possible, charts have been included to provide a graphic view of the activities in each court level, and tables show the inflow and outflow of cases through the courts. The data included in this report have been updated wherever required, as some data had not been available during the year when the quarterly reports were being printed.

Supreme, County and Surrogate Courts And Sheriff's Offices

Data on criminal and civil matters in the higher courts are presented here. New tables in this fiscal year report are Taxations and Examinations in the Supreme and County/District Courts. Collection of this data commenced in August, 1976, and the 1977/78 fiscal year is the first complete year for which this data has been collected. A table on the number of half days spent in court by the Surrogate Court Registrar has also been included.

Provincial Court (Criminal Division)

In the Provincial Court (Criminal Division), the term "charges" is used. Our definition of "charges" is the number of "counts" of an offence laid against an individual.

As the activity under the C.C.C. and NCA/FDA statutes are of prime importance, the court offices had a count of their outstanding case load under these two statutes on December 31, 1977. Therefore, the figures reported as backlog at March 31st, 1978 on pages seventy and seventy-two are calculated from the recount figures.

Tables V.8 through 12 report the number of prepaid fines processed through the court offices. The data reported for 1977/78 is on a court office basis, not by court location as in the previous years.

Figures reported as charges received and backlog under the H.T.A. on page seventy-seven and Other Statutes on page seventy-nine have been revised for Metropolitan Toronto due to some discrepancies that had been brought to light during this past fiscal year. As this annual report covers the period from 1975/76 to 1977/78, a table has been included, immediately following the preface, providing the revised figures for Metropolitan Toronto for the 1974/75 fiscal year.

Provincial Court (Family Division)

In this fiscal year report, the table reporting data on Section 8 of the Training Schools Act is no longer included, as Section 8 was repealed January 1, 1977.

Users may be interested in knowing that in 1977/78 there were sizeable increases in the number of orders made under D.W.C.M.A. and under the Criminal Code of Canada over previous years. The data are reported on pages one hundred and thirteen and one hundred and nineteen respectively.

Your comments and/or questions regarding the presentation of the report or the data provided are welcomed.
